

AloeBoost™

Quick Reference Sheet

What is it?

AloeBoost™ is a better, healthier, and faster acting energy solution!

Designed to give a smooth, sustained boost of energy for up to 7 or 8 hours, with no crash, only 25 calories!

Quick Points:

- 1) Based in RealAloe® Aloe Vera which has over 200 nutritional compounds.
- 2) Packed full of anti-oxidants, equaling that of 3 ½ fresh apples.
- 3) Provides more energy than 1 ½ cups of coffee - in just 2oz.
- 4) Only 25 calories, no added sugars.
- 5) Includes premium, healthy ingredients including RealAloe® Aloe Vera, Pomegranate, Acai, Plum, Pear, Green Tea, B-Vitamins.
- 6) Smooth energy, without the jitters and jolts.
- 7) Every 32oz bottle is backed by an empty bottle satisfaction guarantee.

Talking Points:

- AloeBoost™ is a healthier alternative to products that thousands of people consume every day. (Coffee, energy drinks, sodas, lattes, etc!)
- Using RealAloe® Aloe Vera as a base helps to promote better digestion and absorption of vital nutrients and minerals.

AloeBoost™ is not recommended for people with hypertension or taking cardiovascular medication.
