

AloeControl™

Quick Reference Sheet

What is it?

AloeControl™ is your healthy advantage to long term weight management!

Quick Points:

- 1) Based in RealAloe® Aloe Vera which has over 200 nutritional compounds.
- 2) All-natural appetite suppressant using Humulus Lupulus, Hoodia Gordini and Caralluma Fimbriata.
- 3) Contains naturally occurring metabolic enhancers and digestive aids for maximum absorption.
- 4) Designed to help control your craving and boost your metabolism.
- 5) Just shake and take 2 ounces before any meal.
- 6) Includes only premium, healthy ingredients; Aloe Vera, Beet, Carrot, Pear, Acai, White Grape, Black Cherry and Concord Grape juices!
- 7) Every 32oz bottle is backed by an empty bottle satisfaction guarantee.

Talking Points:

- AloeControl™ is a simple, healthy and great tasting weight management drink!
- Using RealAloe® Aloe Vera as a base helps to improve digestion and absorption of vital nutrients and minerals.

Not for pregnant or nursing mothers. If you're on medication please consult with your doctor.
