

RealAloe® Aloe Vera

Quick Reference Sheet

Quick Points:

1. Aloe Vera is the world's original "super food" - used by Ancient Egyptians more than 2000 years ago.
2. Every dose is jam packed with over 70 nutritional compounds including vitamins, minerals, proteins, and amino acids.
3. Aloe Vera has been shown to dramatically improve the absorption of some nutrients, minerals and vitamins when taken in combination.
4. Using RealAloe® Aloe Vera as a base in our products allows your body to receive an increased benefit from every premium ingredient.
5. Aloe Vera has been shown to aid in digestion, improve circulation, regulate blood pressure, strengthen the immune system and much, much more!

Talking Points:

- The RealAloe® Aloe Vera used in USAloe™ products has never been frozen, freeze-dried or reconstituted from powder.
- Our RealAloe® Aloe Vera is grown organically in the USA, about 3 hours away from our 36,000 square foot kosher-certified factory. We process it all by hand for best results - you can't get more premium than that!
- Aloe Vera has been used for over 2000 years and continues to help people on a daily basis - unlike many of the "recent" super food discoveries.
